HOUSE CHARITIES®
GREATER LAS VEGAS

Family Room Wishlist

The Ronald McDonald Family Room at Sunrise Children's Hospital offers a special place of respite, relaxation and privacy right on hospital grounds. It provides a small oasis of calm and normalcy amidst the tense, chaotic, medical setting – yet parents remain only steps away from their child's bedside. Help make a difference in these families lives and donate items for the Family Room to 2323 Potosi St., Las Vegas, NV 89146.
